SHORT EASTER MESSAGE

by Rev. Fachie Renwick
(caretaker minister)

Hi Folks,
I haven't met you yet but over the next while I hope to. The local Free Church minister has moved on to the Isle of Lewis but we are still up and running and hope very much to interact with the community. I live near North Kessock in the Black Isle where I have been the local minister for nearly twenty seven years. I am in the local schools regularly and we run Kidz Clubs and Youth Clubs every week during school term. At present we have 120 kids/youths on the register. I'd love to see the same thing happen in Evanton. Our facilities in the local church here are limited but we'll get on with what we have and who knows what will develop.

Ultimately the objective is the spiritual welfare of young and old in the community and of course at the centre of that is the JESUS of the Easter story who came into this world and suffered and died at a place called Calvary, outside the city of Jerusalem, about 2000 years ago. HE was the God/man who stood in the place of his people and

dealt with the penalty of their sin so that they might, in the world beyond this one, enter into heaven. On the third day he rose from the dead and forty days after that returned to heaven. He will return to this world one day and we will all meet HIM. Hopefully, we will meet HIM as friend and saviour by putting our trust in HIM.

If I can be of help to you in any way please don't hesitate to get in touch and hopefully I'll meet you in one way or another as we work with you.
