SHORT EASTER MESSAGE

by Rev. Fachie Renwick (caretaker minister)

Around 2000 years ago a man called Jesus of Nazareth was put to death on a cross outside the city walls of Jerusalem. A large crowd gathered to witness the spectacle. Among that crowd were some of the church leaders of the day. Their take on the matter was that Jesus was a liar and a troublemaker and he was getting what he deserved; after all he said he was God! Others took what they thought was a gentler approach and said that he was deluded; he thought he was God but was totally mistaken and now he was being got rid of; and again it was for the best. There were others who weren't willing to say he was either a liar or lunatic but rather he was who he always claimed to be. He was LORD. He was God come as a human being. Why he was dying was beyond most of them but Jesus did have his own take on the matter: 'Call his name Jesus for he shall save his people from their sins.' If you'd like to know more why don't you come along to the local church and start exploring. Some people think it's only good people who go to church or at least people who think they're good. Nothing could be further from the truth. The church is for sinners and the wonderful message at the heart of it all is that Jesus came to save such.
